OBJECTIVES: To work in an architectural firm, building on my current foundation of knowledge in construction documents, construction material and methods, consultant and contractor coordination, and 3D modeling and rendering.

EXPERIENCE

1998–present **Gardner Spencer Smith Tench & Hensley**, Atlanta, Georgia (www.gssth.com)

Intern Architect

Develop drawings from schematic design, through design development and construction document phase. Coordinate drawings with engineers and other consultants. Act as point-of-contact for contractors through pre-bid process and bid tabulation. Review and respond to submittals and shop drawings. Review and respond to Request For Information and Change Order submissions. Perform site visits/inspections for the purpose of responding to pay requests and verifying substantial completion. Assist in preparation of marketing and presentation material through photography, 3d modeling and rendering, Photoshop and PowerPoint production.

Information Technology Team Member

Act as part of a three person I.T. team. Assist in developing and maintaining office AutoCAD standards. Install and maintain workstations. Assist in researching and vetting new technology: hardware and software. Monitor and maintain network health. Archive inactive project files. Monitor and maintain plotter, including plot accounting.

Noteworthy Projects

University Learning Center, Clayton College and State University
Inman Center, Pace Academy
Fine Arts Center, The Galloway School
Coweta County Courthouse

1996-1998 **John Wieland Homes**, Atlanta, Georgia (www.johnwielandhomes.com)

Project Coordinator

Customized standard house plans per customer specifications with consideration to space planning, structural integrity, and aesthetics. Produced drawings for client approval and construction documents using DataCAD. Acted a contact for Region Manager, Sales Associates, and Builders.
